## Moving Forward to Serve Families

*Supporting all four building blocks of early education*

COVID-19 has forced us all to adapt the way we live, work and play. Our theme this year at DEPC is "Moving Forward." That's what we do to put children first. We move forward to ensure they receive the services and resources they need to be successful, no matter what.

DEPC will continue to move forward supporting all four building blocks of the early education system: healthy growth and development beginning before birth, high quality early care and education, engaged families and coordinated communities, and effective teaching and learning for K-3 students, inside and out 365 days a year. In November, DEPC's Board approved an updated Strategic Framework and prioritized the following areas to guide our work: Outreach, Alignment, Workforce Development, Leandro Mandates, and Closing Disparities.

To learn more about how DEPC is supporting families, child care providers and schools, please visit [depc.org](http://depc.org).

**READING**

## Ask Questions

Use questions to start a conversation about a book like never before!

Ask questions that begin with:  
● What? ● How? ● Who? ● Why?

## Build Vocabulary

Children's books use words kids don't hear every day.

It's up to adults to pull out those "rare" words and teach them to kids.

## Connect to the Child's World

Relate books to things kids already know to help them learn more about the world around them.

**Family First** counselors are available to offer families information on over 150 community resources including places to play throughout Nash and Edgecombe counties. Counselors can help meet the needs of your family whether it's quality child care referrals or local parenting programs. Family First also has resources such as DVDs and books on just about any child related concern. If you need child care options, parenting information or any other services offered below, please call Family First at **252.985.4300**. Counselors are available Monday through Friday, 9 am to 5 pm.

## Circle of Parents

is a support group for parents of children, ages birth to 18, with special needs (any physical or developmental disability). Parents are able to spend time connecting with each other, offering encouragement, support and suggestions for managing the care of their special needs child. Circle meets most Monday nights of the school year from 6:30 – 8:00, including a time for the children to connect at the end of each ZOOM call. Families will be able to pick up a meal to enjoy each meeting night, and there will be weekly Walmart and gas card drawings as well.

**REGISTRATION REQUIRED.** Contact Iris Ray at [iray@depc.org](mailto:iray@depc.org)

Caregivers will receive weekly packets with play and craft ideas they can do at home with their child, along with ideas for healthy eating and staying active. DEPC will provide each registered caregiver with a container filled with all necessary craft items at the beginning of this 16 week series. Families can join anytime during the 16 week series.
