

The U.S. Small Business Administration (SBA) announced that the Paycheck Protection Program (PPP) will re-open the week of January 11 for new borrowers and certain existing PPP borrowers.

To promote access to capital, community financial institutions will be able to make First Draw PPP Loans on Monday, January 11, and Second Draw PPP Loans on Wednesday, January 13. The PPP will open to all participating lenders shortly thereafter.

The Paycheck Protection Program established by the CARES Act, is implemented by the Small Business Administration with support from the Department of the Treasury. This program provides small businesses with funds to pay payroll costs including benefits. Funds can also be used to pay interest on mortgages, rent, and utilities.

Below is a list of certified Community Development Financial Institutions (CDFIs) in Illinois. Please note that some CDFIs may not offer PPP loans – please contact your preferred CDFI to see if determine if they are participating.
